**SUNOCO LOGISTICS PARTNERS L.P. ANNOUNCES PRICING
OF SENIOR NOTES**

PHILADELPHIA, February 11, 2010 – Sunoco Logistics Partners L.P. (NYSE: SXL) announced that its wholly owned subsidiary, Sunoco Logistics Partners Operations L.P., priced a public offering of \$250 million aggregate principal amount of 5.50% ten-year senior notes, maturing on February 15, 2020, at 99.672% of par value and \$250 million aggregate principal amount of 6.85% of thirty-year senior notes, maturing on February 15, 2040, at 99.696% of par value. This offering was made pursuant to an effective shelf registration statement on Form S-3, as amended, previously filed with the Securities and Exchange Commission. Net proceeds received from this offering will be used to repay the \$201.2 million promissory note issued to Sunoco Partners LLC, the Partnership's general partner, in connection with the previously announced incentive distribution exchange transaction. Additionally, net proceeds will be used to repay outstanding borrowings under the Partnership's \$400 million revolving credit facility and for general partnership purposes.

Barclays Capital Inc., Citigroup Global Markets Inc., UBS Securities LLC and Wells Fargo Securities, LLC are joint book-running managers for the senior notes offering. Credit Suisse Securities (USA) LLC, Deutsche Bank Securities Inc., KeyBanc Capital Markets Inc., Mitsubishi UFJ Securities (USA), Inc., PNC Capital Markets LLC, RBS Securities Inc., SunTrust Robinson Humphrey, Inc. and TD Securities (USA) LLC are co-managers for the senior notes offering.

Note: Statements about the offering may be forward-looking statements as defined by federal law. Although Sunoco Logistics Partners L.P. believes that the assumptions underlying these statements are reasonable, investors are cautioned that such forward-looking statements are inherently uncertain and necessarily involve risks that may affect the Partnership's business prospects and performance causing actual results to differ from those discussed in the foregoing release. Such risks and uncertainties include, by way of example and not of limitation: increased competition; changes in demand for crude oil and refined products that we store and distribute; changes in operating conditions and costs; changes in the level of environmental remediation spending; potential equipment malfunction; potential labor issues; the legislative or regulatory environment; plant construction/repair delays; nonperformance by major customers or suppliers; and political and economic conditions, including the impact of potential terrorist acts and international hostilities. These and other applicable risks and uncertainties have been described more fully in the Partnership's Form 10-K filed with the Securities and Exchange Commission on February 24, 2009. The Partnership undertakes no obligation to update any forward-looking statements in this release, whether as a result of new information or future events.
