SUNOCO LOGISTICS PARTNERS L.P. EXECUTES TERMINALING AGREEMENT WITH EXXONMOBIL

PHILADELPHIA, February 18, 2009 – Sunoco Logistics Partners L.P. (NYSE: SXL) (the “Partnership”) today announced that its wholly-owned subsidiary, Sunoco Partners Marketing & Terminals L.P., recently entered into a long-term agreement with ExxonMobil Oil Corporation to provide over 2 million shell barrels of storage capacity at its Nederland, Texas crude oil terminal.

“This agreement continues our longstanding business relationship with ExxonMobil,” said Deborah M. Fretz, President and Chief Executive Officer. “We are pleased to have them as an important customer at the Nederland terminal. The terminal’s prime location and extensive connectivity to foreign and domestic sources of crude oil, to crude oil trading hubs and to key U.S. refining centers, has enabled us to develop a growing and diversified customer base consisting of refiners and other major transporters of oil.”

Sunoco Logistics Partners L.P. (NYSE: SXL), headquartered in Philadelphia, is a master limited partnership formed to acquire, own and operate refined product and crude oil pipelines and terminal facilities. The Eastern Pipeline System consists of approximately 2,300 miles of primarily refined product pipelines located in the Northeastern and Midwestern United States, the recently acquired MagTex pipeline system and interests in four refined products pipelines, consisting of a 9.4 percent interest in Explorer Pipeline Company, a 31.5 percent interest in Wolverine Pipe Line Company, a 12.3 percent interest in West Shore Pipe Line Company and a 14.0 percent interest in Yellowstone Pipe Line Company. The Terminal Facilities consist of 9.7 million shell barrels of refined products terminal capacity and 24.0 million shell barrels of crude oil terminal capacity (including approximately 17.1 million shell barrels of capacity at the Texas Gulf Coast Nederland Terminal). The Western Pipeline System consists of approximately 3,700 miles of crude oil pipelines, located principally in Oklahoma and Texas, a 55.3 percent interest in Mid-Valley Pipeline Company, a 43.8 percent interest in the West Texas Gulf Pipe Line Company and a 37.0 percent interest in the Mesa Pipe Line System.
